All rooms contain telephone with local service and wireless internet access.

All rates are per night and include a light continental breakfast for each person registered. All taxes are included in the rates below.

Single

Single rooms contain one double bed.

Shared washrooms are located on each floor.

Single: \$68.00

Shared: \$102.00

Suites

Each suite consists of three bedrooms. Each bedroom has a double bed. There is a small common lounge, and one private washroom per suite.

1 Bedroom within a Suite \$115.00

2 Bedrooms within a Suite \$220.00

3 Bedrooms within a Suite \$313.00

You'll remember that dormitories aren't hotels, so you won't find hair dryers or ironing boards in your room and you may want to pack something warm to sleep in because, just like your old House Mother, sometimes the air conditioner is cranky and stubborn! Bring all your toiletries and any other comfort items you feel you might need. We'll put the kettle on, but after that you're on your own! Relive your student dormitory days without the House Mother looking over your shoulder!
