

Acadia University is recognized as one of Canada's premier undergraduate institutions. Academic innovation and a technology-rich teaching and learning environment have garnered the university a reputation for excellence. Our progressive workplace is located only one hour from Halifax in Nova Scotia's beautiful Annapolis Valley – a small-town setting offering an affordable lifestyle, outstanding recreational opportunities, internationally acclaimed restaurants, a healthy economy, and the best weather in the Atlantic Provinces.

Acadia University is proudly located on Mi'kma'ki, the ancestral territory of the Mi'kmaq People.

**Faculty of Pure and Applied Science
Department of Chemistry
Instructor, Contractually Limited Term (CLT I)**

Position # 20211 – 5 Month CLTI. The Department of Chemistry invites applications for a 5-month contractually limited position at the rank of Instructor effective August 1, 2022 – December 31, 2022. The successful candidate will teach three (3) organic laboratory sections and one (1) introductory chemistry lecture course section. The successful candidate will be responsible for the technical aspects of laboratory preparation, and management of associated teaching assistants. The successful candidate will be expected to serve on committees within the Department of Chemistry/Acadia University.

Qualifications: The successful candidate should have a minimum of a laboratory-based MSc degree in Chemistry or Biochemistry. Previous teaching experience is highly preferred.

How to Apply: The application should consist of a cover letter, a curriculum vitae, a statement of teaching philosophy, confirmation of degree and evidence of teaching experience and teaching effectiveness. Potential candidates shall send the application package including the names and contact information of three (3) references and arrange to have three (3) letters of reference sent directly to:

Vlad Zamlyunny, Ph.D.
Acadia University
Wolfville, Nova Scotia, Canada B4P 2R6
Email: vlad.zamlyunny@acadiau.ca

Closing Date: June 17, 2022

For additional information on the Chemistry Department, please visit: <http://chemistry.acadiau.ca>

The University invites applications from all qualified individuals; however, Canadians and permanent residents will be given priority. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal people, African Nova Scotians, persons with disabilities, visible

minorities, women, and persons of any minority sexual orientation or gender identity. Consistent with the principles of employment equity, the primary criterion for appointment to a position is qualifications and professional excellence. Candidates who identify as a member of one of the afore-mentioned groups, and who wish to have the application considered as such, are invited to submit the online [Employment Equity Voluntary Self-Identification Form](#) as part of their application package.

The university will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation because of a disability or for any other reason during the interview process, please contact: **Dr. Vlad Zamlyunny (Head)**
