Acadia University is recognized as one of Canada’s premier undergraduate institutions. Academic innovation and a technology-rich teaching and learning environment have garnered the university a reputation for excellence. Our progressive workplace is located only one hour from Halifax in Nova Scotia’s beautiful Annapolis Valley – a small-town setting offering an affordable lifestyle, outstanding recreational opportunities, internationally acclaimed restaurants, a healthy economy, and the best weather in the Atlantic Provinces.

Acadia University is proudly located on Mi’kma’ki, the ancestral territory of the Mi’kmaq People.

Faculty of Pure and Applied Science, Jodrey School of Computer Science
Lecturer or Assistant Professor
Contract Limited Term

Position #20305 – The Jodrey School of Computer Science seeks to fill a 9.5 month contractually limited position at the rank of Lecturer or Assistant Professor effective August 1, 2021. The successful candidate must hold a minimum MSc in Computer Science. Previous teaching experience in Computer Science at the University level is required.

An overall ability to contribute to a dynamic teaching and service culture in the School is important. Applicants must be able to teach courses from the group of courses including Programming 1 (Python), Web-Centric Computing, Data Handling, How Websites Work, Computers and Society, Security, and System Analysis and Design. Applicants will also be expected to contribute to the activities of the School. The ideal candidate must have a demonstrated commitment to equity and diversity and the ability to make learning accessible and inclusive for a diverse student population.

Qualifications: A minimum MSc in Computer Science. Teaching experience in Computer Science at the university level is required.

How to Apply: Candidates are asked to submit their application in a single zip file containing only PDF documents to cs@acadiau.ca. Receipt of the application will be acknowledged via email. Applications should include the following:
- a cover letter
- an up-to-date curriculum vitae
- confirmation of degrees or relevant experience
- the names and contact information of three references (to be contacted if short-listed)

Dr. Darcy Benoit
Professor and Director, Acadia University
Wolfville, Nova Scotia, Canada B4P 2R6
Email: darcy.benoit@acadiau.ca

Closing Date: 30 June 2021
For additional information on the Jodrey School of Computer Science, please visit: http://cs.acadiau.ca/.
The University invites applications from all qualified individuals; however, Canadians and permanent residents will be given priority. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal people, African Nova Scotians, persons with disabilities, visible minorities, women, and persons of any minority sexual orientation or gender identity. Consistent with the principles of employment equity, the primary criterion for appointment to a position is qualifications and professional excellence. Candidates who identify as a member of one of the afore-mentioned groups, and who wish to have the application considered as such, are invited to submit the online Employment Equity Voluntary Self-Identification Form as part of their application package.

The university will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation because of a disability or for any other reason during the interview process, please contact: Dr. Darcy Benoit
