**Faculty of Pure & Applied Science  
Jodrey School of Computer Science  
Assistant Professor - CLT**

**Position # 20309 CLT** - The Jodrey School of Computer Science seeks to fill a 9.5 month contractually limited position at the rank of Assistant Professor effective August 1, 2022. The successful candidate must hold a minimum MSc in Computer Science. Previous teaching experience in Computer Science at the University level is preferred. Salary will be commensurate with qualifications and experience.

An overall ability to contribute to a dynamic teaching and service culture in the School is important. Applicants must be able to teach courses such as Computer Programming 3 (C language), Data Structures, Graphics, Artificial Intelligence 1, and Artificial Intelligence 2. Course descriptions available on request. Applicants will also be expected to contribute to the activities of the School. The ideal candidate must have a demonstrated commitment to equity and diversity and the ability to make learning accessible and inclusive for a diverse student population.

Applications must include a cover letter, an up-to-date curriculum vitae, and confirmation of degree or relevant experience. Three reference letters should be sent separately. Candidates shall send the application package as a PDF to [cs@acadiau.ca](mailto:cs@acadiau.ca). Receipt of the application will be acknowledged via email. Please confirm in your application your status to work in Canada.

**Deadline for applications: 24 July 2022**

Dr. Darcy Benoit, Professor and Director,  
Jodrey School of Computer Science  
Acadia University

*The University invites applications from all qualified individuals. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal people, African Nova Scotians, persons with disabilities, visible minorities, women, and persons of any sexual orientation or gender identity. Consistent with the principles of employment equity, the primary criterion for appointment to a position is academic and professional excellence. Candidates who are a member of one of the aforementioned groups, and who wish to have the application considered as such, should complete the [Employment Equity Voluntary Self-Identification Form](#) as part of their application package.*
