

Fall/Winter 2020 – Course Format Update

Acadia University's course timetable has been updated to reflect the Fall/Winter 2020 course format delivery methods. Please familiarize yourself with the changes in course format in order to tailor your learning experience to your circumstance and needs.

If you are new to course registration or need a refresher, we suggest familiarizing yourself with the online course registration tutorial [here](#).

When logging into Acadia Central and searching for a course, you'll notice that a new legend exists which identifies each new type of course format.
