

Class of 1982
Class Meeting
October 16, 2022
Homecoming Class Reunion

Meeting called to order at 12:00 pm.

In attendance: Mark Webster – Class President; Carole Foran-Swinkels – Class Treasurer; Janet Webster;
Oonagh Proudfoot – Advancement staff

The minutes of the class meeting of July 17, 1993 were moved by Mark Webster; seconded by Carole Swinkels, all in favour, motion passed.

Discussion began with Mark asking about participation rate (the percentage of alumni who are donors) for the university and the class and how that compares to other institutions. Our current institutional participation rate is 5%. Oonagh said that this was similar to other like universities in Canada. In the US the rate tends to be higher. It would be wonderful to aim higher and Oonagh reminded them that participation rate is the only time that \$5 is the same as \$5 million dollars. Further discussion was had about starting small and, in particular, starting early with donors so that it is a learned behaviour and when capacity improves the donation tends to increase.

The participation rate for the Class of 1982 is 11% (66 of 586) if based on “active” alumni and 8% (66 of 768) if the “inactive” alumni are included in the calculation. The difference between “active” and “inactive” is whether or not we have contact information for the alum. The meetings materials included a list of “Where are they now?” which is a list of 1982 graduates whom we have lost contact with. We encourage class members to have a look and determine if they know where any of them are (attached).

Request from Mark for a list of class presidents for the decade of the 1980’s so that he can reach out and begin discussions about the all-decade reunion in 2026, most notably if they would prefer a summer reunion or a fall reunion. Further discussion about reunion planning ensued. Request from Carole that information be available a lot sooner so that folks from away had time to plan travel. Oonagh offered some insight into the challenges with reunion planning this year and that in the time that planning should have started, we were still dealing with moving influential variables from the pandemic which made it difficult to plan.

Request to have email to all the members of the class of 1982 following Homecoming and would like it to include:

- A letter from him including information about
 - Celebration of the class participation rate with encouragement to do better
 - university priorities for consideration of donations – Recruitment, Student Success, EDI (Equity, Diversity and Inclusion)
 - new reunion format
- Documents circulated during the class meeting
- Minutes from the 2022 class meeting

Other action items:

Oonagh to confirm the slate of officers for 1982. (see below)

Mrs Lana Wood	Vice-President	1982
Ms Janet Dean	Secretary	1982
Mr Mark Webster	President	1982
Mrs Carole A. Foran-Swinkels	Treasurer	1982

Some discussion about the class gift and where it now resides. Oonagh to take picture of what she believes is the class gift and send it to Mark.

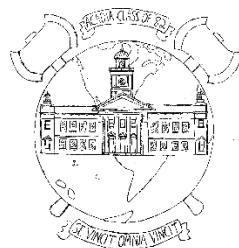

Meeting adjourned at 1:00 pm.
