

There's Something In The Water with Ingrid Waldron

November 4, 2019 (7:00 pm - 9:00 pm)

Location: K.C. Irving Environmental Science Centre

Join us November 4th at 7:00 pm at the KCIC Auditorium as Ingrid R. G. Waldron author of There's Something in the Water: Environmental Racism and its Health Impacts in Indigenous and Black Communities in Canada shares insights and experiences from her research and work in environmental racism. A documentary based on her book was recently released at the Toronto International Film Festival.
