Academics and extra-curricular activities are both key to student life at Acadia University and supports and services are in place to help students every step of the way along their university journey.

We encourage you to get involved, ask for help when you need it and take advantage of every opportunity that comes your way. Acadia has many resources to help you be the best you can be.

The [Wong International Centre](#) is not only your home away from home but it is your first point of contact when you have a question. Drop by 27 Acadia Street and we will be happy to talk to you and help you with any questions you may have. If you are not sure where to go, just ask us and we will connect you with the right people. Acadia is your community and we want you to have the best experience you can both in the class room and out during your time here.
