

# Living In Residence

---

Acadia University is pleased to offer 12 unique residences for students to choose from. It's a choice that helps you get the most out of your Acadia experience. One payment covers your living costs: rent, furniture, local telephone, Internet, water, electricity, and heat. You'll have access to Acadia's high-speed internet network, in-house laundry, some of the finest dining on a Canadian university campus, and the shortest commute to classes, labs, library, and recreational facilities.

In the dining hall, you can make your favourites from home or enjoy meals by our award-winning chef, who uses fresh produce from our student-run farm. This is where you will develop a taste for the good life.

For more information on Acadia's residences, please visit the [Residence Life](#) website. All applications are submitted online. If you live in residence, you must stay for the whole school year (September to April) or pay a penalty fee for leaving before the end of the year. If you arrive after September, you would be required to stay until the end of the school year in April.
